Jim and all,

I spoke with probably the same man last Friday. He reached my cell phone, texted me pictures and links, and later e-mailed them. (I did not get a chance to refer to FFRRO yet - sorry.) He also left me another voicemail this morning. His name is Andre Patterson. He is concerned about health effects, and is complaining about cover-up and prejudice. I can forward his e-mail address and e-mails if folks would like. Sorry Faith had to deal with his manners. - Dana S

Subject: Treasure Island - Region 9

Good Morning –

My Admin fielded a call this AM from an irate caller on Treasure Island. He was verbally abusive to her just so you all are aware. Unhappy with EPA, said there was radiation in his home, blamed EPA for not telling him. Said he was going to call the Administrator's office to demand action. From what was relayed to me, Faith handled the call appropriately trying to direct him to someone on our staff. He hung up on her. Don't know where he is likely to land next, but suggest it be Region 9.

Thanks in advance.
